

# SmartCitiesCouncil

Headquartered in Washington DC, Smart Cities Council, (“SCC”), is the world’s largest and longest-running membership-based Social Impact Organisation for Smart Cities, Smart Buildings, and Technology.

With operations in over 30 countries globally, SCC leads policy and advocacy, and through our [Task Forces](#), [Events](#), and [Partnerships](#) SCC develops thought leadership, knowledge, playbooks, educational assets and tools that enable the creation of positive, self-sustaining social, environmental and economic benefits.
